Western Petroleum Management Ltd.  
PO Box 126  
Cochrane, AB T4C 1A4

To Whom It May Concern,

Bounty has contracted Western Petroleum Management Ltd. (WPM) to perform drilling, completions and abandonment operations for our company since 2009. WPM has extensive knowledge in these areas and has provided Bounty with diligent staff who are committed to seeing the project through to its conclusion.

WPM has a very strict approach to cost control and manages projects efficiently. WPM is committed to meeting safety and environmental regulations, policies and best operating practices.

WPM willingly takes on demanding projects and has delivered on their commitments to Bounty. Bounty looks forward to continue to work with the professionals at WPM in future projects, and is confident in our recommendation of WPM.

If further information is required, I can be contacted at (403) 718-7431.

Yours truly,
